Re: Case Number 97-35
Pam and Dalbir Grewal

Dear Dr. Perez:

This is to advise you that the New Jersey State Board of Veterinary Medical Examiners has had the opportunity to complete its review of the complaint filed by the above referenced, pertinent patient records and your testimony relating to this matter.

Upon review of all of the information presented, the Board found that you engaged in professional misconduct pursuant to N.J.S.A. 45:1-21(e) in that you performed a necropsy without the expressed consent of the owners.

At this juncture, the Board has determined that the above violation warrants the initiation of formal disciplinary proceedings against you. Notwithstanding that finding however, the Board determined that it will first offer you an opportunity to settle this matter, and thereby avoid the initiation of formal disciplinary proceedings, should you consent to:

1. Pay a penalty in the amount of \$500.00 for the violation set forth above.

If you are willing to settle this matter on the offered settlement terms, you may do so by executing the attached form and returning it to the Board within ten (10) days together with your remittance made payable to the Board of Veterinary Medical Examiners in the amount of \$500.00 for civil penalty.

If you do not find this settlement acceptable, a continuation of the Board's investigative inquiry will be scheduled.

Very truly yours,
